**R.E.K. Manufacturers CC is a 100% BEE company.**

R.E.K. Manufacturers (Reg. No. CK2004/114646/23) was established and registered In 2004 as a Close Corporation.

R.E.K. Manufacturers is a company owned and managed by previously Disenfranchised operating under Black Economic Empowerment initiative.

**R.E.K. Manufacturers CC specialize in:**

Manufacturing of H.D.P.E. Bends, Tee Pieces, Laterals and Segmented Bends  
Pipe fabrication,  
And steel pipes  
Erection,  
And Thermoplastic.

Welding accessory available, Welding Machines from 400d to 1000d, fabrication machines till 800d for all H.D.P.E Pipes. Machines by technodure

Our priority is to offer professional services, and to listen to the request and needs of our clients. Our business is to assist clients to reduce its direct employee ratios and concentrate on internal resources to the past potential.

It's therefore proposed that the client should take advantage of our strengths and expertise in managing construction projects by using the service of our company.

Our strengths lie in the effective management of construction projects within agreed and negotiated cost and time, specifications standards and client satisfaction.

In this communication, I wish that your company would consider R.E.K. Manufacturers CC as a supplier of goods and services of yourself.

R.E.K MANUFACTURERS has a workshop facility in Nigel, Johannesburg (Gauteng) which is the head office and a branch in Kruis River, Uitenhage (Port Elizabeth.) Establishing branch in Kuruman (Northern Cape)

In this event of any queries, please do not hesitate to call, the undersigned.

Yours faithfully

MR. R. A. KANNEMEYER
